

Going to my group

When I get to Church I will go into the Church building with my grown up.

I will check in at the Kid's Welcome Desk.

We will sing together with all the children and grown ups. I can join in with actions if I want to.

Then I will meet my group leaders. They will be wearing a T Shirt in my group colour.

We will walk over to the Church hall for our group time.

In my group I will be with other children my age and we will have grown up leaders.

We do different activities which normally includes a story from the Bible , playing a game and crafts to explore the story.

We always have a snack in our group. This is normally a biscuit and a drink of squash or water.

At the end of group time we walk back over to the Church to meet my grown up.
